FRESH FOOD PROFITS

AVERAGE OF 50KGS

"It is really amazing what that piece of equipment has done for our sales. Prior to my purchasing it from you, I was selling only about 6 to 10 jars of peanut butter per week. Now we are grinding approximately 50kg of peanuts per week into peanut butter."

Allan Phillips
West Pennant Hills Health Foods Sydney

IT JUST KEEPS DRAWING CUSTOMERS

"A Vince Russell Nut Butter Mills were purchased for each of our 3 stores and now represents 400 units sold each week and the rate is increasing. Promotions are held every three months, with sales reaching as high as 2500 units per week. I believe these mills are unique to our industry and draw many customers to our stores."

Robert William
Vita Health Foods Sydney
